President's Corner

Dear Members,

The time has come to get out and fish. There are plenty of opportunities out there, from the back bays and rivers to the open beach. Buefish and weakfish are probably showing up as I'm typing this message. Thanks to Bob Popovics

for a nice little presentation at our April meeting, his video footage is enough to get anybody in the mood to fish! Consider conservation, release for tomorrow.

Beeg Presented with Sculerati Award

"Presented annually in memory of Bill, a great sportsman and avid fisherman. This award is given to a member who exemplifies Bill's high standards of sportsmanship and dedication to the club."

At the banquet, Gary Beeg was presented with this honor. Gary joined the club in 1995 and started out as a behind-the-scenes member. Any early

flea market attendee might remember Gary as the hot dog man. He has since worked on numerous committees and in recent years has served as an officer. He was VP in 2007 and 2008, and has been President since 2009.

Thank you, Gary for your tireless efforts. Congratulations on a job well done!

May Entertainment

Although unconfirmed at the time of this writing, we plan to have two presentations for the May meeting. Rich Hedenberg from CTS rods will discuss the latest in blank technology, and Shell

E. Caris will educate us on pencil popping technique.

The May meeting is on Wednesday the 5th at 7:30 PM at the Seaside Park Courtroom above the police station.

Picnic Committee Needs Volunteers

New members should get active! What better way than to join a committee. The picnic committee is in need of new blood.
