President's Corner

Dear Members,

Well Summer's over and Fall's upon us. I hope many of you enjoyed the BSC Picnic as much as I did. Thanks to Tom B. and his family for chairing this year's event and Ken H. and crew for their ever present help. Thanks also to all the other members that pitched in to make this year another success. Food was plentiful and good and the company better.

The BSC conducted its Annual Youth Education day on August 13th in Sea Girt. Thanks to Fred for putting this together. I had a great time and even caught a Kingfish, was I supposed to be fishing? There were knot tying and casting lessons, plenty of eats, some fish

caught, and plenty of prizes for the kids. Thanks to all the BSC members that showed up to help and/or bring supplies.

As I pen this, Paul H. is conducting his Annual Fluke Tourney and it looks like participation is at a new high. Let's hope everyone catches and this becomes a regular summer event thanks to Paul's hard work.

For the Fall menu we have Montauk, the Fall Derby, Intra and Inter-club events so get out there and catch 'em up.

September Entertainment

The September meeting will be held on Saturday the 10th in order to avoid the Labor Day holiday. This month's meeting will feature a review of the club's Seaside Island trip.

For Saturday meetings we ask the members to provide the food, so please

bring a covered, dish, dessert or what have you.

As usual the meeting is at 7:30 PM at the Seaside Park Courtroom above the police station.

Welcome New Members

Know someone who might be interested in our club? Anyone is welcome to attend a meeting just to "check us out".

1st Annual Triple B *Berkeley Breakfast on the Beach*

Congratulations to member Jim Puha, the lucky winner of the rod and reel raffled at the picnic.

This new event will be held the morning of Sunday September 18th between 9:00 AM and 12:00 PM on IBSP at Area 21. For those with beach buggies and a pass drive on up...for those without you can drive into the Park and proceed to the parking lot marked A21. There is ample parking and a restroom facility. Just follow the path to the beach and look for the group of fishermen having breakfast next to the surf.

The Club will be providing coffee, orange juice, water, juice boxes, donuts, muffins, bagels and other assorted breakfast items. Feel free to bring anything you

would like...homemade specialties are always appreciated.

Notification of cancellation due to weather will be posted on Betty & Nick's website:

www.bettyandnicks.com/fish.shtml. If you have any questions please call Steven Perna at 732-221-0540.

If we are lucky, we will have great weather and a school of fish will beach themselves looking for breakfast. Please join us and have some fun with the Club.

Hope to see you there!
